Dear Parents/Guardians,

Your child will be participating in the ACT. The purpose of this letter is to provide you with general information about the assessment, and to inform you of the district's testing schedule. Please make every attempt to ensure that your child is present during anticipated testing time and that he/she is prepared for testing.

Schools will be providing the ACT to all **Juniors**. The district will cover the costs for this assessment that is scheduled for April 10th. Our students will take this test online at our school. **ALL JUNIORS** are required to take this exam. The ACT is a national college admissions examination that consists of subject area tests in: English, Mathematics, Reading, and Science.

The ACT Plus Writing includes the four subject area tests plus a 30-minute writing test. Our school will be administering the ACT Plus Writing. ACT results are accepted by all four-year colleges and universities in the US.

The ACT includes multiple-choice questions and takes approximately 3.5 hours to complete, including a short break.

All **Juniors** will need to be present for the April 10th date. Students received a *Taking the ACT* booklet with important information on the pretest date, April 5th. Please take time to look over this with your student and prepare him/her.

Thank you,
Charlotte Bailey and Emily Kottwitz
