The orientation is to be designed to give the students basic information about the United States, its people, family and school life, and the nature of the program in which they are participating.
  - b. Orientation has been provided to host families at least five weeks prior to the student's arrival in the United States.
  - c. Each visiting student and host family has been provided with a copy of the Department of State's Criteria for Exchange Visitor Programs.

8. Diplomas may be issued to exchange students when both the District graduation requirements and the student's home school requirements have been met. Students are entitled to participate in all senior activities, including the graduation ceremony, with or without the diploma.
9. District students should be recommended by the local units of exchange visitor programs for reciprocal privileges and responsibilities.
