

Green City Community Betterment Scholarship

In memory of Judy Guiles

Judy is remembered thoughtfully as a considerate, helpful, generous, kind and fun-loving Green City community supporter. Judy loved Green City and worked very hard at making improvements to our town. She loved our school, and was a huge gopher fan. It is in her honor that the Green City Community Betterment is giving this scholarship of \$250 awarded to any senior, who, like Judy, is active in our community, good student and a responsible citizen. Please include in 300 words or less why you are proud to grow up in the Green City community. **Scholarship due to Mrs. Tipton by March 17th 2023.**
